**Additional skills:** the following additional skill information is provided in support of my nomination.

Experience of how the Island works and familiarity with the Island geography as I have lived on and off the Island all my life, depending on work opportunities, it is my turangawaewae.

My main strengths are my practical skill and newtwork of local connections which I beleive are necessary qualities which the Trust will full short of with Jill Skerrett's retirement. I'm now at an age and time in my life to step up to the opportunity of serving the Trust to my best abilities if it is presented to me through the support of whanau and wider members of RMLT
